## Your Guide to Cops and Courts in New South Wales

3rd edition  
Macquarie Legal Centre

Published 2003, Federation Press  
ISBN 1 86287 479 4 PB 352pp  
RRP \$49.95 (incl GST)

Youth Justice is a comprehensive and practical guide to the police and

criminal justice system in NSW for children and young people in contact with the system and anyone supporting them — lawyers, social workers, youth workers, advocates, teachers, counsellors, parents or friends.

Clear and jargon-free, Youth Justice explains the rights of children and young people; what they can expect from the police, their lawyer, the courts and other aspects of the criminal justice system.

If you work with children and young people, you will find essential advice on how to support young people through police interviews, youth justice conferences, lawyer interviews and court.

This third edition has been thoroughly updated and greatly expanded.
